

Geo. E. Honn Co., Inc.
853 A Cotting Court
Vacaville, CA 95688

Phone: (707)455-0241
Fax: (707)455-0245
Email: info@honn.com

Professional Outsourced Sales and Marketing Services to the Electric Utility Industry Since 1934

	<p>Complete Arcflash Protection: Sensors, Relays, and High speed arc quenching technology (through 17.5kV)</p>
	<p>Digital Panel Metering, Intelligent Electronic Devices (Power Measurement, Event Recording, and Control), SCADA and IEC61850</p>
	<p>Batteries (Flooded, VRLA-Gel) and racks: Utility, TeleCom, & Solar Applications (IEC 61427)</p>
	<p>Civil & Structural Engineering: Substations, Switchyards & Transmission Line Design</p>
 <i>Switching Solutions & Innovations For Electrical Distribution & Transmission</i>	<p>High voltage switches, Generator switches, Motor Operators (Overhead, Underground, Crossarm Mounted), & Online Wireless Power Monitoring</p>
	<p>State of the Art battery testing & monitoring equipment- Portable & Online options to meet and exceed NERC requirements</p>
	<p>Ground rods, clamps and connectors</p>
	<p>UG power cable: XLPE (LV, MV, EHV, HVDC), EPR, submarine, fire resistant, nuclear, petrochem. OH cable: PVC/XLPE/HVDC, bare (ACSR, AAC, carbon)</p>
	<p>Battery chargers, inverters, ups systems</p>
	<p>Test Equipment: Protective Relay, IEC61850, Circuit Breaker, CT & VT, Transformer (Power Factor, SFRA, LTC), Dielectric Frequency Response, Partial Discharge (Rotating Machine monitoring, cables, instruments)</p>
	<p>Network protectors, Network protector relays, and monitoring equipment. Medium voltage molded rubber connectors & products, Overhead distribution & pole line hardware, wildlife guards</p>

 <p>ROCKY MOUNTAIN COLBY PIPE COMPANY</p>	PVC Cellular Core Conduit – DB 120, Sch 40, & Sch 80
 <p>RUGGEDCOM A Siemens Business</p>	Highly reliable, secure, and hardened communication networks for substation applications
 <p>SEEKIRK</p>	Annunciators: station class, apparatus, with communications
 <p>SEFCOR INC. Power Connector Specialists</p>	Substation Bus, Cable, and Ground fittings.
 <p>SIEMENS</p>	Transformers, Regulators, Breakers, Switches, Relays, Recloser, Switchgear, GIS, RTUs, SCADA systems, SMART Grid Solutions
 <p>slingco</p>	Complete line of cable, rope and fiber optic, pulling and suspension grips
 <p>TEEE</p>	Air Core Reactors (Indoor and Outdoor); Shunt, Thyristor Controlled, Current Limiting, Smoothing, Filter, Damping, Test, Line Trap.
 <p>the approach</p>	Emergency temporary crossing platforms for rapid deployment
 <p>TROJAN DRY-OUT SYSTEMS</p>	Transformer Care Systems: On-Line (Dry-Out and Oil Regeneration), High Vacuum Purification, Portable DGA, LTC filter System
 <p>WEIDMANN Weidmann Electrical Technology, Inc.</p>	Oil and SF ₆ testing: Testing, Analysis & Diagnostics (On-Line and Engineering Support) Engineering Services: Education, Training, Assessment (Substation and Power Plant HV Assets) Monitoring Systems: Hydrogen, Bushing, Transformer Hot Spot Temperature, Oil Dielectric
